Voltage:	9-64V DC
Body / Housing:	Aluminium
Power Consumption:	27.6W
LED Color Temperature:	5700K
Raw Lumen Output:	3900Lm
Effective Lumen Output:	1700Lm

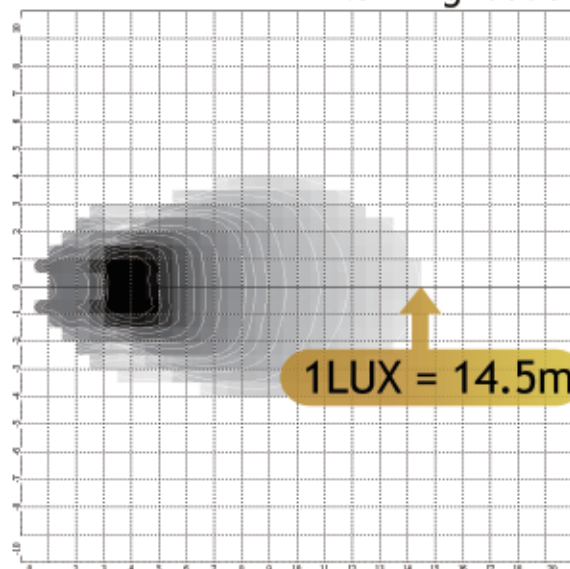

## ENHANCE SAFETY FOCUSED LIGHTING

Maximize safety and visibility, specially designed for working environments! The light is focused on targeted areas to enhance operational precision. The glare-free design ensures that people near the vehicle are not dazzled. Ideal for warehouses, industrial sites, and confined working spaces, improving safety for both personnel and equipment.
