

# CONFIGURABLE MODULAR ROCKER SWITCHES

## **R13 - 305**

DC SWITCH 305 SERIES

Designed for flexibility and durability, this modular switch button supports a wide range of configurations to meet diverse operational needs. Whether used in construction vehicles, industrial equipment, or marine applications, its intuitive layout and rugged design ensure

reliable performance in demanding environments. Easily expandable and customizable, it's the smart choice for modern control systems.

# R13-305

\*Sealed: IP67 when supplied with panel seal.
