

DUAL-STAGE INTERIOR LIGHT WITH NIGHT LIGHT

C2-277

DUAL-STAGE

DUAL-STAGE INTERIOR LIGHT WITH SWITCH

This premium interior light features a dual-stage function—switch between white and yellow light to suit different environments. Built with durability and style in mind, it is ideal for marine vessels, RVs, and campers. Certified with IP54, R10, and EN60945,

EMC-compliant, and marine-grade performance. Sleek and compact, this light is proudly made in Taiwan, delivering reliable quality with a refined look.
