

HIGH-GLOSS CHROME LED COURTESY LIGHT

C2-1505 CHROME LED COURTESY & ACCENT LIGHT

The C2-1505 Chrome LED Courtesy & Accent Light brings a refined touch to marine and vehicle interiors. Its chrome-plated housing delivers a mirror-like finish that resists corrosion while enhancing visual appeal. Compact in size yet powerful in performance, it provides soft, uniform illumination along stairs, walls, and walkways — perfect for ambient or step lighting applications. With IP67 protection and durable sealed construction, it ensures dependable performance even in humid or outdoor environments.

*Polished elegance, compact design,
and reliable illumination.*
