

PORTABLE LED MAGNETIC WARNING LIGHT

C2-940

SERIES +

MAGNETIC FEATURE

MULTI-ANGLE FOLDING

WATERPROOF IPX5

The **C2-940 PORTABLE LED MAGNETIC WARNING LIGHT** easily attaches to trucks and equipment with its **MAGNETIC FEATURE**, ensuring quick deployment in emergencies. Its **MULTI-ANGLE FOLDING** design allows flexible positioning for maximum visibility, reducing risks in low-light conditions. With high-brightness LED and multiple flashing modes, it's perfect for truck drivers and construction workers, enhancing safety during night operations and roadside stops.
